## ***ENVIRONMENTAL, HEALTH, AND SAFETY POLICY***

CanaSafe Industries is a manufacturer of high quality personal protective products. Safety is not only our business; it is also our top priority. We are committed to providing a safe and healthful environment for our Employees, Guests and Neighborhood Communities. Our Goal is to implement the policy:

***"THERE IS NO COMPROMISE WHEN IT COMES TO SAFETY, HEALTH AND THE ENVIROMENT"***

### ***AS A COMPANY, WE WILL:***

- Provide programs, facilities, equipment, products, and operations that meet or exceed established standards, laws, and regulations. On a global basis, we will comply with all Safety and Environmental legislation and regulations, and any other requirements that are applicable to our business and operations
- Work with our government and industry partners, on a global basis, to establish programs and operations which safeguard our Employees, work locations, and the communities in which we operate
- Provide education and training to our Employees in the areas of Environmental, Health, and Safety and ensure that all CanaSafe Employees understand our commitment to Environmental, Health and Safety Excellence; understand their role in achieving superior Environmental, Health and Safety performance; and support the implementation of programs designed to achieve our goals, objectives, and targets in these areas
- Continually improve our Safety, Health and Environmental performance through the development of specific goals and objectives
- Encourage idea generation and innovative products, research, and processes that have the potential to improve our objectives including efforts in energy conservation, pollution prevention, and waste reduction
- Make Environmental, Health, and Safety considerations a top priority throughout the development of new products and manufacturing processes

### ***AS EMPLOYEES, WE WILL:***

- Follow established safe work practices each and every workday; act in an environmentally responsible manner; and support the implementation of all programs to achieve our Environmental, Health and Safety goals and objectives
- Identify, Report, Correct, and Eliminate unsafe acts and conditions. These practices are considered to be an essential performance measure for all Employees

***Our CanaSafe Mission is dedicated to the Promotion of Work Place Safety, Welfare and Health; Where No Employees are Injured, and To Exceed Our Environmental Responsibilities***
